Referral to Care Management

MoreCare's Care Management Program helps our members with medical, behavioral health, and support services to improve their health care. Care Managers help members use their benefits to get needed services and manage their health care needs.

Clinicians, Discharge Planners, Utilization Reviewers and Caregivers: To refer members to this program, please complete this form and submit it via secure email to CMreferrals@morecareil.com.

Within five (5) business days of receiving this referral, a Care Manager will reply to the contact person listed on this form.
